

Memory Game

Preparing the game:

1. Print game on cardstock or other thick paper
2. Color pictures to match
3. Cut along dotted lines

Playing the game:

1. Players take turns choosing two cards to flip over to try and find a match. Cards must be turned up completely so that all players can view them.
2. If player makes a match, collect matches into a pile in front of them. If you get a match, you get another turn.
3. If player does not make a match, play passes to player to the left.
4. Continue gameplay until all cards are matched. Winner has the most matches!
